

SIROMER EQUIPMENT

SIROMER SNOW BLOWER

C46 SNOW BLOWER 1.6M

Keep your roads, footpaths and drives free with a Siromer snow blower. Using a cork screw motion the PTO driven auger drives snow into the above spout, which then shoots snow at an angle set by the user.

1.6m Working Width

220Kg Weight

1.35m Height

PTO Driven (PTO Shaft Supplied)

Adjustable Spout Turns 360 Degrees

20-40HP Required
