SIROMER GRADER

U15 Land Leveller / Grader (1.5m)

Manufactured to the highest standard, with a robust and durable steel construction. Highly effective machine, ideal for land reclamation leaving a level surface.

Three point linkage mounted CAT I.

Easily converted into transport position, no maintenance is required as there are no moving parts.

Flexible and easy reversible this grader has 3 forward cutting blades and 1 reversed for smooth finish and levelling of sand ménage, horse arenas etc.
