

SIROMER EQUIPMENT

Your Tractor's Best Friend

SIROMER YARDSCRAPER

- Rugged steel construction.
- Strong robust channel supports hard wearing flexible rubber blade.
- Easy reversible action means the scraper can either be pushed or pulled behind the tractor.
- Rubber blade ensures clean sweep.
- Fixed wings at 45° to enable close scraping to walls.

Model	Operating width (mm)	Blade Thickness (mm)	Blade Height (mm)	Channel Depth (mm)	Weight (kg)
U20	2025	25	375	150	190
